

ORGANIC FARM-TO-TABLE RETREAT • PARO, BHUTAN

The Happiness Farm

Where Guests Become Family

2027 Rates & Guest Guide

OUR STORY

A Farmhouse Above the Clouds

Perched in the terraced hills above Paro, The Happiness Farm began as one family's orchard and has grown into a home away from home for travellers from around the world.

We are proud to be one of a kind in Bhutan — a genuine farm-to-table retreat, where nearly everything on your plate is grown, raised, or foraged right here on our own land. Our kitchen serves all-organic, farm-to-table meals, sourced from our orchards, vegetable gardens, and the surrounding Paro valley.

"We are committed to providing you with exceptional service and a memorable experience, all while ensuring that your wallet remains as content as your heart."

Every guest is welcomed by our founders personally — because here, hospitality is not a transaction, it is family. We follow a **"One World, One People"** policy: every guest is treated equally, with the same love, warmth, and happiness, regardless of where they come from.

LIFE AT THE FARM

Orchards, Gardens & a Warm Bed

From apple orchards on the hillside to a freshly picked lettuce for dinner, life at The Happiness Farm moves at the pace of the seasons.

Our orchards and vegetable terraces, seen from above the property.

Fresh, organic produce harvested daily for our farm-to-table kitchen.

The courtyard — where guests gather for tea, meals, and conversation.

A warm, wood-panelled room, ready and waiting for you.
